

## Tax Alliance Conference, Inc.

March 16, 2020

Last week, the Tax Alliance Conference Board agreed that we are not having a conference in 2020 due to the coronavirus. We are concerned about the health of our attendees, our speakers and our board members. Currently in the United States, the length and scope of the outbreak is unknown, and we had to make a decision now to cancel plans in 2020. We don't want to spread the virus if it is still ongoing at that time. We hope that the vaccine will be available soon.

If you have already sent in money for this year's conference, we will be sending out reimbursement checks to you.

We will continue to have Lunch and Learns during the year. Our next one is May 7<sup>th</sup> with Larry Jones as the speaker. The topics our Lunch and Learns will cover are ones that we cannot provide CPE for all our members but are valuable topics for our practices. Please watch your emails for future dates and topics.

We are making plans for the 2021 Tax Alliance Conference. The board will be working to make it another great conference with speaker and topics you want to hear. We will look forward to seeing you in good health in 2021.
