

HAMA

BEACH CONDO

On the seashore.

HAMA is located in Mahahual, an idyllic caribbean town, 2 hours south of Tulum and 1.5 hours north of Chetumal, which is also the nearest airport.

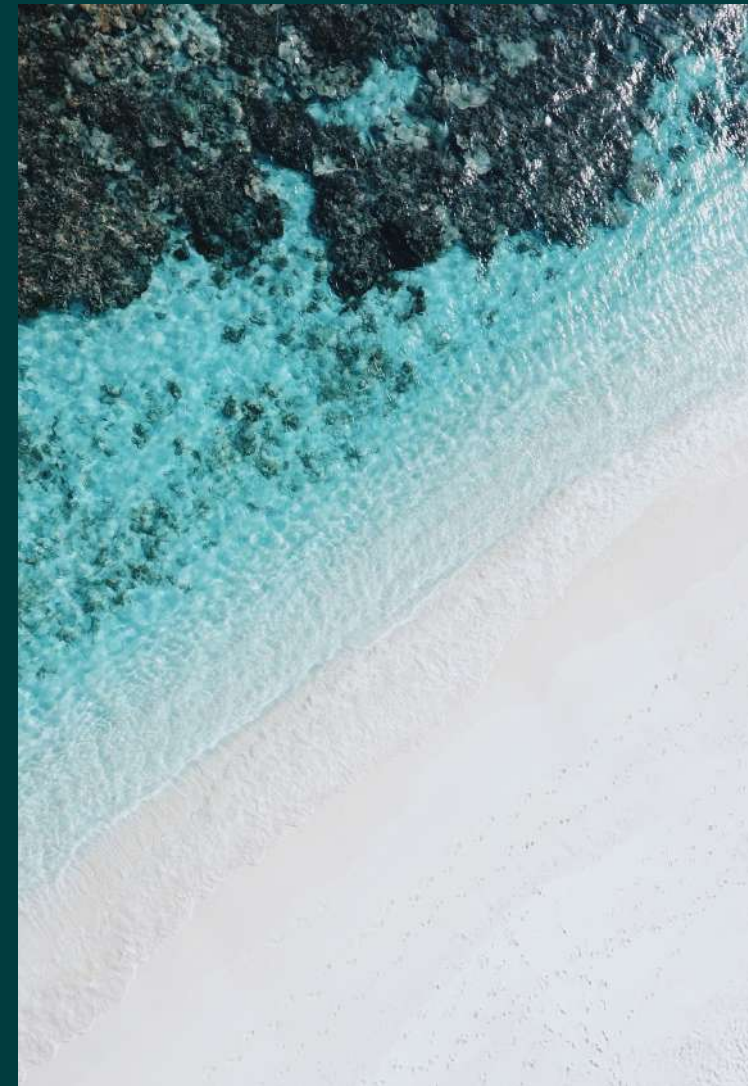

LOCATION

HAMA is located on the incredible pedestrian boardwalk of Mahahual, which stretches for 1.7 km, housing restaurants, bars, diving centers, souvenir shops, hotels and beach clubs.

MAHAHUAL

Many have called it “the jewel of the Mexican Caribbean” thanks to its beauty, harmony and warmth. Mahahual is a relaxed and quiet paradise, a perfect destination to disconnect in front of the beautiful turquoise sea. Located in the heart of the second largest coral reef in the world, it is a true Caribbean dream.

LIFESTYLE

This destination has incredible beaches with crystalline waters and gentle waves that make it the perfect place to visit with children. Thanks to the colorful reefs and its abundant marine life, Mahahual is also one of the best destinations in the entire Mexican Caribbean for snorkeling and diving.

LIFESTYLE

Mahahual is the only cruise port in the southern part of Mexico's Caribbean Coast. According to the Mexican Department of Tourism, it receives more than 350 cruise ships per year. In addition, during the last holiday season, it registered 9,000 occupied room per night and 9,056 tourists, attracted by its relaxed atmosphere and its natural beauties.

HAMA

The concept of Hama was born in this marvelous location, a unique project, designed for those who enjoy being in contact with nature.

The units offer incredible views, terraces with private pools and its exclusive and natural surroundings, is the ideal setting for the variety of activities that Mahahual has to offer.
