

## 2025 BCSA Dual Meet Schedule and Results

*Team Color Represent the Division from 2024*

*We have incorporated "Tri-Dual" meets into the Artic Division where 3 teams all swim at 1 host pool. Each team competes against the other 2 teams individually so that it is 3 indepentantly scored dual meets. Due to some overlap and keeping on a 5 week schedule, some of the matchups in the meets will be "exhibition" since they have already competed against one of the teams in a previous tri-dual but did not compete against the 3rd team. If you have any questions, reach out to me at bcsaswimcomm@gmail.com.*
