

Wyomissing Hills Swimming Assoc.

March 2024

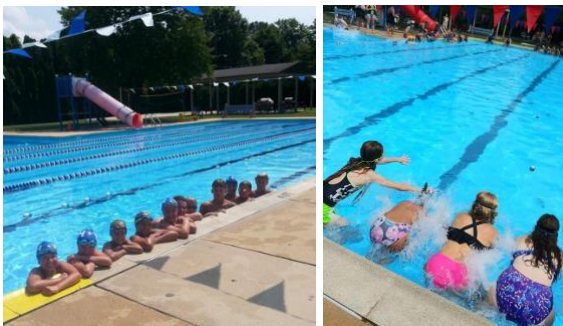

Welcome Back!

- Welcome back Wyomissing Hills Swimming Association members and we thank you for a safe and fun 2023 summer last season! We look forward to seeing our current members real soon and are excited to welcome our new ones!
- The fun is back for 2024! Please consider signing up to help organize one of our Sunday Fundays and other social activities. A sign-up calendar will follow.

Wyomissing Hills Swim Team

- Coach Nancee and assistant coach Rylee are excited to coach another fun and promising season for the Wyomissing Hills Swim Team! Details will be announced after the Spring BCSA meeting. Details regarding Swim Team and lessons will be posted on the board in the breezeway beginning opening day.
- We will be offering swim lessons for summer 2024, so look for more details when we open.

Welcome Guests!

- **Guest Reminder:** guests can only visit the pool 5 times per season before becoming a member. Please remember you must be present when your guests arrive and they must sit with you while at the pool. Guest fees are \$10 a day, children two and under are free!

Half Price Stock Options are back!

- Now through April 30th there will be a **half-price stock sale** for new members! Tell your neighbors and friends who aren't members to join the fun at the Wyomissing Hills Pool!!! Contact info@wyomissinghills.com for more details.

Help Wanted!

- We are always looking for new board members to add to our team, specifically a membership secretary with Microsoft Access experience.
- Looking for a fun and affordable way to have a birthday party or family picnic this summer? Rent the pavilion for your pool party. Details and rental forms are available at the pool

Pool Service Days & Support

- The Wyomissing Hills Swimming Association needs your help to get our pool in “mid-summer form” for the start of the swim season. We will have two maintenance days in April, Sundays, April 7 (grounds cleaning and paint prep) and April 14 (painting) at 9:00 a.m. We will be cleaning up and pressure washing the pool putting on fresh coat of surface paint. Please come dressed to work and bring any extra push brooms, lawn tools to use, and any cleaning supplies and/or paper products you’d like to donate for our starter supply. Dates and times for maintenance days for all of our events will be posted on Facebook. If you are not on Facebook, please email us at info@wyomissinghillspool.com for future updates.

Reminder to all stock holders

- Just a reminder of the Wyomissing Hills Swimming Association’s bylaws regarding your stock: As per article IV, a membership is suspended if dues are not paid 30 days prior to the opening of the pool. If a stockholder notifies the Board of Directors 90 days prior to the opening of the pool of his/her intention not to be a member that year, the Board of Directors may allow the shareholder to retain his/her stock, provided that in no event shall any one stockholder be allowed to do the same for more than one (1) out of five (5) years. A \$25 maintenance fee will be charged to all members. This fee can be refunded if you spend 4 hours helping to get the pool ready to open or help with projects throughout the season or refer a new member.
