Personal Essay Prompt

Describe your overall high school experience and how you have impacted others.

Discuss and include your involvement in your church and community as well as your extracurricular activities, involvement in any clubs or organizations, and work experience. Describe your academic interests and accomplishments, and note any significant achievements, awards, honors, or recognitions you have received in high school.

Finally, discuss your future academic plans and/or career goals, and share how this scholarship will impact your further educational goals if you are chosen as a recipient.

Twice Blessed Showroom Scholarship Award

Each year Twice Blessed Showroom will award \$2,000.00 to two students graduating from high school, payable to the college, university, or trade school of choice in the name of the selected student.

Twice Blessed Showroom serves as an all-volunteer outreach of First United Methodist Church, Victoria, Texas, with a mission of charity to both the church and local organizations. This scholarship has been created to recognize and reward students who demonstrate high achievement and active involvement in their school, their church, and their community.

When selecting the recipients of this scholarship, judges will consider academic achievement; involvement in extracurricular school activities; and involvement in volunteer organizations, whether civic, scholastic, or church-related. To be considered, the selection committee requests a copy of the student's transcript in addition to their written response to the personal essay prompt.

Award recipients must meet these requirements:

- The student or the student's parent(s)/guardian(s)/grandparent(s) must be members of First United Methodist Church, Victoria, Texas, or must be an active volunteer at Twice Blessed Showroom, Victoria, Texas.
- Aunts, uncles, cousins, or other family relations do not confer eligibility.
- The student must be graduating from high school at the end of the academic year in which they apply.
- The student must have maintained a grade average of 85 or above.

The application documents must be received by **4:00 P.M. on the last Friday of April** to be considered for the award. The final decision by the selection committee will be made in May, and the recipients will be contacted shortly thereafter. Please direct any questions about the award or selection process to us at
