A Message from Our Founder & President

Dear Friend,

Thank you for taking the time to learn more about Agape Sober Homes Inc. and the individuals we serve.

I started Agape because I saw a need for recovery housing that offers more than just a bed.

People rebuilding their lives after addiction need stability, accountability, encouragement, and a supportive community that believes in them. Recovery is a journey, and having a safe place to call home can make all the difference.

My passion for this mission comes from witnessing the devastating impact addiction and alcoholism have had on people I love and communities around us. Addiction does not discriminate. It affects individuals and families from every background, and far too many people struggle without the support they need during some of the most difficult times in their lives.

At Agape, we believe every person deserves dignity, respect, compassion, and a second chance. Today, more than 60 residents call Agape Sober Homes home while working to maintain sobriety, find employment, reconnect with family, and build brighter futures. Every day, we see lives being restored through hope, accountability, and community support.

None of this is possible without people who care.

I personally invite you to donate what you can afford and become involved in helping us build stronger communities through recovery. Whether your contribution is financial, volunteer-based, a business partnership, a gift certificate donation, or simply sharing our mission with others, every act of support helps create new opportunities for individuals rebuilding their lives.

Together, we can provide hope, stability, and second chances to those who need them most.

Thank you for believing in recovery, supporting our mission, and helping us make a lasting difference in the lives of others.

With gratitude,

Suad Kantarevic

Our mission is to provide stable housing, accountability, encouragement, and community support while helping residents build healthier, productive, and independent lives.

Our Charitable Core: Standing by Those with Nothing

Because we operate as a true charity, we know that the road to recovery is rarely a straight line. When a person possesses a genuine willingness to stay clean but arrives at our doorstep at an absolute breaking point—with zero financial resources, no family support, and no immediate funding — We Say “Welcome Home”

Our foundational mission is to ensure that a lack of money is never the reason a door to recovery is closed.

Dear Applicant:

We're pleased to tell you we determined you're exempt from federal income tax under Internal Revenue Code (IRC) Section 501(c)(3). Donors can deduct contributions they make to you under IRC Section 170. You're also qualified to receive tax deductible bequests, devises, transfers or gifts under Section 2055, 2106, or 2522. This letter could help resolve questions on your exempt status. Please keep it for your records.

Organizations exempt under IRC Section 501(c)(3) are further classified as either public charities or private foundations. We determined you're a public charity under the IRC Section listed at the top of this letter.

If we indicated at the top of this letter that you're required to file Form 990/990-EZ/990-N, our records show you're required to file an annual information return (Form 990 or Form 990-EZ) or electronic notice (Form 990-N, the e-Postcard). If you don't file a required return or notice for three consecutive years, your exempt status will be automatically revoked.

If we indicated at the top of this letter that an addendum applies, the enclosed addendum is an integral part of this letter.

For important information about your responsibilities as a tax-exempt organization, go to www.irs.gov/charities. Enter "4221-PC" in the search bar to view Publication 4221-PC, Compliance Guide for 501(c)(3) Public Charities, which describes your recordkeeping, reporting, and disclosure requirements.
