## CREATIVE DIRECTOR OF MEDIA

Dr. Fredricc Gerard Brock is a visual artist based in San Antonio, Texas, with a passion for creative expression. He has an insatiable desire to create unique works that are one-of-a-kind.

"Doc Shoots Too" reflects the multidimensionality of his life's journey. Brock is fortunate to serve as a senior commissioned military officer, a former NFL player, an author, and a non-profit executive. He holds three earned degrees and has traveled extensively around the world. He integrates all these experiences into his work, ensuring that his clients have an exceptional photoshoot experience.

Brock's tagline, "No. Bad. Shots." is more than just a brand; it embodies his lifestyle philosophy. As he says, "You miss 100% of the shots you don't take." Let's shoot!
