

Mammoth Hollow Annual Meeting August 11, 2105

- I. **Attendees:** Amy Vazifdar, AJ Vazifdar, Betsi Devries, Dorren James, Bruce Hardy, Rick Krikorian, Don Harkins, Karen Harkins, Linda Hohenberger, Gwen Goodman, Dan Goodman, Linn Krikorian, Lenore Coombs, Mike Coombs
- II. **Budget:** Betsi reviewed the budget and expenses including upcoming road repairs
- III. **Snow Removal:**

The bid for snow removal for this winter was twice what it was budgeted for last year. There was some difficulty due to the layout of the streets/houses/driveways. Bruce stated he will reach out to Giant Landscaping, and that he is aware that they have 3 Bobcats they can use.

The board is still working on snow removal. If we go with O'Briens, it would mean an estimated \$30/month per unit increase. Betsi will send copies of the quote to Bruce. Don also has a few people he can reach out to.
- IV. **Landscaping:**

The bid for landscaping the north entrance was \$1700. Betsi is going to be working with Lanice on that project.
- V. **Mailboxes:** Bruce discussed progress on the mailbox. The water bricks could be used and are impervious to water. He reviewed the expenses so far. Bruce asked Don to pressure wash the existing pad (the area that has been dug out). He is oping to have the mailbox area complete by Labor Day. The board voted to approve paying Bruce \$133.37 for the materials so far.
- VI. **Adjourn:** Meeting adjourned
