

Need Help Paying for Child Care?

New Jersey's **Child Care Assistance Program (CCAP)** helps income-eligible New Jersey parents who are working, attending school, or participating in job training pay for child care.

Getting Started is Easy

Visit ChildCareNJ.gov/Parents/CCAP, where you can:

- ☆ Learn about the program and eligibility requirements.
- ☆ Use the eligibility calculator to see if you may qualify.
- ☆ When you're ready, get connected to the state's secure application system, MyNJHelps, to apply.

Applying

- ☆ You will need to create an account to apply. If you have previously created a MyNJHelps account to apply for the Supplemental Nutrition Assistance Program (SNAP) or Work First New Jersey (WFNJ), use your username and password to sign in.
- ☆ You will not be able to upload documents online if you are applying for CCAP only. If you choose to apply for SNAP and/or WFNJ as well as CCAP, you will be able to upload documents but the uploaded documents will only be used for SNAP/WFNJ verification. You will still need to submit any required documents for CCAP verification to your local Child Care Resource & Referral (CCR&R) agency.

What to Expect After You Apply

After your application is submitted, your CCR&R will:

- ☆ Contact you with next steps and request the required documentation.
- ☆ Provide instructions on how to submit your documents.
- ☆ Help you complete the application process.

If you need assistance at any point during the application process, you can reach out to your local CCR&R. To find your local CCR&R, visit ChildCareNJ.gov/CCRR or call 1-800-332-9227.
