Compliance with ordinance requirements of the Village of Michiana does not preclude any
additional requirements that may apply from the Berrien County Health Department, The
Berrien County Drain Commission or the Michigan Department of Environmental Quality.

Zoning compliance approval includes meeting the setback requirements as well as any other
provisions of the ordinance that apply e.g. height restrictions, minimum size, minimum road
frontage or maximum lot coverage, etc.

Buildability determinations are based solely upon the criteria of the zoning ordinance and do
not assure a buildable lot based on other criteria such as topography, slopes or perk testing
etc.
