

Fall Newsletter

Clerk's Corner

Hello Michiana!!! We will be sending out a quarterly newsletter and with this being our first I would like to mention some of the highlights from this past year. We welcomed 2 new board members, Mike Botelho and Mike Mumper. We also hired a new treasurer, Tracey McCay.

If you haven't been by, STOP 37 is looking great! The new shelter was built, drinking fountain installed, the fence was painted, and the area was cleaned of shrubs and weeds. Michiana Shores donated flowers for our planters to finish it off. STOP 40 has new beach access and stairs were built.

The Village Hall and Park also got some upgrades. The porch was painted and the flower boxes were cleaned up along with new boxwood bushes being planted. The Park's split rail fence was stained along with Bocci Ball court. We also secured all of the benches in the park.

Along Michiana Dr. the leaning wall was replaced and Hillside, East Court, & Avalon were paved.

I'd like to say 'Thank You' to all involved with the Michiana Day Camp for making it such a huge success. You are helping to make memories for our Michiana children.
