Dear Vicki,

Our thanks to you and all those who supported your wonderful food drive on our behalf. Your food will assist us in our mission to reduce nutritional insecurity for the poor of Bonita Springs.

Food, paper products, cleaning supplies, hygiene items, diapers and more are all in great demand from our local families in need. Its only through the generous support of organizations like yours that we can make a positive difference in the lives of so many who are struggling with life's challenges.

Thanks for all you do for the less fortunate and God bless,

 many thanks!
