

\$5-TO-FREEDOM™ INFO PACK

**Flip Your Faith Into
Financial Freedom**

This is more than a movement. It's a faith-based formula that allows everyday people to start with what they have—just five dollars—and multiply freedom across families, communities, and generations

WHY THIS IS NEEDED

“Be strong and courageous. Do not be afraid or discouraged, for the Lord your God will be with you wherever you go.” – Joshua 1:9

Why This Movement Matters Now

We are living through a layered crisis: financial pressure, emotional fatigue, and spiritual disconnection. In underserved communities especially, there’s been too much survival—and not enough vision. This movement addresses the heart of the issue. It restores vision. It puts power back in the hands of the people, starting right at home.

Five Reasons This Is a Breakthrough:

- **Low Barrier, High Impact** – Anyone can start. There are no applications, no qualifications, and no credit checks. All it takes is faith and \$5.
 - **Builds Generational Wealth** – Empowers families to teach duplication, stewardship, and legacy-minded giving.
 - **Faith and Finance in Harmony** – This is a spiritually rooted movement that believes God honors faith in action.
 - **Freedom From Broken Systems** – This formula allows you to create income, mentorship, and meaning without reliance on unstable systems.
 - **Community-Driven Growth** – You don’t walk alone. This is a collective movement of encouragement, service, and purpose.

WHAT IS THE \$5-TO-FREEDOM™ FORMULA?

The \$5-to-Freedom™ Formula is a practical, spiritual, and duplicatable model designed to help everyday people take the smallest step—and watch it multiply. It's not just a program. It's a mindset shift.

This movement is for anyone tired of being stuck in the cycle of lack, waiting on permission, or trying to make something out of nothing.

It's based on faith, movement, duplication, and courage.

Here's how the formula works, broken down:

Step 1: Purchase the \$5 Info Pack

You've already completed this part. That small seed you sowed gives you access to a blueprint that can multiply into freedom—spiritually, financially, and socially.

Step 2: Learn the Core Principles

Open your info pack, read this guide, and watch the walkthrough video. At the center is the 50/50 Principle:

- Keep half of what you receive
- Give the other half forward to support others on their journey

This principle creates a cycle of sustainability and purpose.

Step 3: Interview Three Good Friends

These must be people who are ready—not just curious. Use the Interview Sheet provided to guide the conversation. Confirm they're serious about starting and building.

Step 4: Support Them as They Start

Help your three friends follow these same steps: purchase their info pack, learn the formula, and invite three others. This is how the movement grows—from you to three, to nine, to 27, and beyond.

Step 5: Submit Your Referrals

Once your friends are ready, submit them through the Referral Sign-Up Form (QR code on page 8 or via the Freedom Access Page).

Step 6: Track and Duplicate

Use your 10-Level Freedom Tree Tracker to monitor growth and impact. As each person duplicates, the movement builds strength—financially and spiritually.

Step 7: Share Your Testimony

We ask every participant to submit either a written, audio, or video testimony after listening to Escape the Rat Race and seeing results. These stories fuel the faith of others.

WHAT YOU RECEIVE WITH YOUR \$5 INFO PACK

When you're ready, turn the page to understand how this small beginning can grow into exponential impact.

HOW THE REFERRAL SYSTEM WORKS

Simple Steps. Massive Multiplication.

This is how your \$5 can unlock a movement of freedom—not just for you, but for hundreds or even thousands of families over time. The system works through duplication, not pressure.

Here's How It Works:

- You start with \$5 and this Info Pack.
- You've already done this. You're now part of the foundation.
- You choose 3 friends to go on this journey with you.
- Use the Interview Sheet to confirm they're serious about building.
- They each choose 3 friends of their own.
- This is the beginning of your Freedom Tree.
- Each new participant repeats the exact same steps.
- That's all. No selling, no hype—just structured sharing with purpose.

How You Benefit:

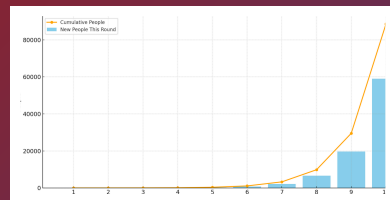

- You keep 50% of what you receive from those you help.
- The other 50% you sow forward to support others.
- As your referrals grow, your circle of financial and spiritual support grows too.
- You earn trust, testimonies, and transformation—not just transactions.
