Who We Are

Team Courage™ is a faith-driven outreach mission with a simple goal: to help families rebuild their lives—spiritually, financially, and emotionally.

We are empowering **everyday people**, especially the displaced, homeless, and overlooked, to take part in meaningful work that inspires real change.

Our **Street Division** gives you a powerful way to serve your city, earn daily income, and invite others into a movement of courage and transformation.

This is more than a job. It's a mission—with real purpose and real pay.

WHAT YOU'LL BE DOING

As a member of the Team Courage Street Division™, your main task is simple: share our \$5 Info Packs with people you meet in high-traffic areas—parks, store entrances, transit zones, churches, barber shops, and neighborhoods.

These packs provide families with access to financial freedom tools, housing help, and income solutions through programs like **Flip Your Bills™** and **Good Home™**.

We'll give you:

- ✱ **Materials to distribute**
- ✱ **A route or zone to serve**
- ✱ **Daily check-ins and support**

You represent something bigger. Speak with kindness, serve with love, and distribute with dignity.

You'll get paid based on how many Info Packs you share daily—and receive bonuses for referrals and results.

YOUR NEXT LEVEL: BECOME A LEADER
