# Hampton Flower Show

2019 Schedule

September 21st

*From 12 noon*

*Pershore Road, Hampton, WR11 2NB*

# Chairman's Welcome

*Hello and welcome to the 2019 schedule for Hampton Flower Show.*

I want to start by saying how very grateful and proud I am that the Flower Show has been supported so well by the local community. Thank you to all who have exhibited fruit, vegetable, flower, craft, baked and brewed items in the first two years. Last year saw the introduction of photography which was a huge success and returns again this year. Don't forget our garden and hanging basket competition which is judged a few days before the show in September. Our new 'Open Garden Walk' event in June will have sparked some interest in local gardens. Think about entering if your garden is a space you love and would like to share in the competition later in the Gardening year.

As the committee plan for our third year we are looking forward to another year of growing interest and involvement in creating a day the whole community can enjoy.

Our beautiful 'Overall Show Winner' Trophy was won by Colin Disley in 2018. We have been fortunate to have increased our collection of trophies for 2019, the list can be seen over the page.

Thank you to those have shared their thoughts on the exhibition sections and the day itself. We have made several changes which we hope makes the day even more enjoyable.

The committee continue to work hard to raise funds to host the show. Several events are still to take place before show day so please come and support us in those efforts. Even better come along to help if you can spare a little time. See our webpage for details.

We have made entering the competition even easier by making the schedule available electronically, you can send us your entry via e mail if you wish.

We have added Honey to our category lists as there is a growing interest in keeping bees for the benefit of the environment. New for show day this year you will see classic cars, a working forge, an historic campsite and a live bee colony. The Dog Trust are joining us again this year so don't forget to bring along your furry friends. Take a look at the back page to see what's on offer on show day, more things are being added as the year goes on so why not keep up to date by visiting our newly designed webpage at

[www.hamptonflowershow.co.uk](http://www.hamptonflowershow.co.uk)

What ever your talent I'm sure you will find a category in the pages that follow which allows you to take part in the fun. Hampton Flower Show is an informal community event for all ranges of age and ability. If the competition is not for you come and spend time with your neighbours on Show Day and relax with friends.

*From myself and the rest of the committee, we very much look forward to seeing you on the day.*

*Ged Bearcroft*

For a list of our local sponsors Please visit our website at

[www.hamptonflowershow.co.uk](http://www.hamptonflowershow.co.uk)

You will also find listings of our fundraising events and see suggestions about how you might be able to help in any small way—from coming to an event, helping leaflet drop, saving bottle tops, donating a bottle of wine or tombola prize or helping on the day. Any help is very welcome.
