
M_Fayes Youth Mentoring Limited

A nonprofit organization 501 (c) (3) EIN: 99-1400833

09/10/2024

M Fayes Youth Mentoring Limited is a Domestic Nonprofit Corporation 501 (c) (3) organization, EIN: 99-1400833. This program is situated in the small rural town of Chester, Georgia (Dodge), which borders two other counties (Laurens and Bleckley). Which makes the location of this program ideal for a rural youth mentorship program for youths 8 years olds to 18 years old from at least three counties.

M_ Fayes Youth Mentoring Limited was created in January 2024, based on research related to a doctoral project (<http://digitalcommons.liberty.edu/doctoral/5067>).

We currently have a diverse group of youth. There are twelve youth (7 boys and 5 girls) in the mentorship program. Many of the youth are needy. But they are interested in positive personal growth academically and professionally.

We are seeking donations and sponsors to help make this program successful and helpful to the community. Since we are out growing our meeting location and we need a youth center constructed on land already purchased to house our program.

Your assistance would be greatly appreciated.

Sincerely,

David C. Turner
