

# TKOB – Band Parents Association

## General Meeting Minutes for February 10, 2021

Virtual Meeting using Zoom

*Pledge of Allegiance*

*Meeting started at 7:33pm*

Director's Report:

Melissa was not able to attend, but passed on information:

- She is working with Ryan on a winter guard season
- No date yet for Indoor Percussion for in person practices. School opens 3/1 and hoping to have one in March. She is working with administration

Approval of last meeting's minutes:

Motioned by: Sam Arabia

Seconded by: Don Bennett

Minutes: Approved

Treasurer's Report:

- Still no Games of Chance paperwork. They resent it, but we still haven't gotten it. Kerryann Silvestri has a contact to help find the paperwork to give to Julie.
- Question from Sam Arabia: The expense to fix the glockenspiel, does that include a case?
  - Julie: My father is donating a case. He is making it, polishing the keys and fixing it. Will look brand new.

Motioned by: Sam Arabia

Seconded by: Al Wester

Report: Approved

Committee Reports/General Fundraising:

- There's one new membership from an 8<sup>th</sup> grader. But there are two Venmo payments. We will reach out to the Venmo email to find out what happened.
- Question from Tracy Paul: She received a text from a band parent about the Band Banquet?
  - Julie: Indoor venue restrictions for Covid won't allow it. Tracy directed the parent to Melissa for confirmation.

Old Business:

- None

New Business:

- We need to form a nominating committee for next year's officers. All positions are up for nomination. We need a minimum of 3 people and maximum of 5. Sign-Up Genius form will be out tonight after the meeting.

- Spiritwear update from Kerryann Silvestri: Only two people ordered Spiritwear. Unfortunately, we won't be ordering since an order of under 12 will raise the prices significantly.
- Al Wester: To Don Bennett, I looked into Nature Power Solar Panel Power Kit on Northern Tool website. This is to charge the Kawasaki and golf cart batteries. We would put it on top of the storage container and when we need to use either, the batteries won't need time to charge. Will keep this for a later date.

*Meeting adjourned at 7:47pm*

Motioned by: Donna Tropea

Seconded by: Sam Arabia

*Next meeting: 3/10 at 7:30pm via Zoom*
