NOTE: Hole #14 has been eliminated from all calculations. Low Gross OTF and Low Net OTF were determined using the total of holes 1-13, 15-18. All scores (gross and net) were adjusted accordingly. IF a player used hole #14 in her game calculation the game was re-calculated. Hole #14 was omitted and the next lowest hole was added. Apologies for this situation; there was no notice. Groups played the hole in a variety of ways: skipped it; played to the green, then added 2; played it to the temporary pin--even though there was no putting surface. Given there was no stated procedure...all prizes were awarded based on 17 holes.
