About Us

Line Management Solutions (LMS) is a professional training, educational, and offshoring company located in Egypt. LMS offers accredited MBA, DBA, and Diplomas from international universities in the UK, US, and France. In addition to educational services, LMS provides offshoring tele-sales services for various industries.

LMS provides students in Egypt and the Middle East region with the first British, American, and French higher education opportunities. They also aim to cultivate students' creative abilities and commitment to lifelong learning. LMS believes in equipping students with developed learning, management, and communication skills essential for their careers. LMS graduates are poised for success not only in their jobs but throughout their entire careers.

LMS assists students in effectively meeting and addressing current business management challenges, drawing on their in-depth knowledge of the industries in which they operate. Additionally, LMS aids companies in reaching their financial goals by establishing solid tele sales teams, effectively managing operations, analyzing areas for improvement, and maximizing revenues while ensuring client satisfaction.

Our Vision

01

Vision

To become the leading company in online learning and offshoring in the Middle East region and one of the top providers of high-quality training and education globally, as well as revenue generation centers. We aim to take on a pioneering role in Business Administration studies both locally and internationally, and also in offshoring tele sales services.

02

Mission

To provide accessible and affordable education delivered through a flexible and competency-based environment to support students' development of lifelong learning.

To deliver high-quality online learning and adapt to the latest technologies in the blended learning field, providing a wow customer experience and client satisfaction through generating revenues with high-quality sales for our partners.

Our Service

We offer a range of services to meet the needs of students at all levels, including academic advising, test preparation, college admissions counseling, and more. Our services are customized to meet the unique needs of each student.

EGS - University

EGS University - Paris is an international multi-campus university. While maintaining the highest academic standards, EGS focuses on giving individual attention to every student in their academic endeavors and providing them with a multicultural, well-rounded experience in and out of the classroom. EGS University prides itself on its high level of interactivity between professors and students, where creative thinking is encouraged, and students are constantly motivated to go beyond the theories and data taught within lecture halls by applying skills acquired through real-world situations. EGS University is equipped with different laboratories and research facilities to allow our students to translate their perceptions into practical exercises

Eton University

Eton University is an international university of higher education that provides British-accredited programs for bachelor's, master's degrees, and PhDs. Our vision is to make quality higher education accessible to all, which is why we began our journey around the globe

On November 9th, 2010, Eton University was incorporated in Belize, America, under incorporation number 98,846 issued by the Deputy Registrar of International Business. On April 22nd, 2013, Eton University was also reported in the State of Delaware, US. After that, we moved our operational office to Manchester, United Kingdom.
