

Overview

Good leadership means good business. Professional communication, team building and conflict resolution are the key skills developed in this comprehensive Leadership programme. Whether you want to be a startup entrepreneur or a change-agent in an existing organisation, specialisation will help you to define your leadership style. You'll learn to set clear goals and objectives while effectively managing a team. This programme promotes leadership values that benefit both companies and their employees. The major theories to study include: trait theory, behavioural theory, contingency theory, and transformational leadership.
