The Market on Dearborn Attendance & Cancellation Policy

Vendors will pay for the entire month of market days regardless of days the vendors cannot attend. In the event of a market weather cancellation vendors will be credited for the days in which the market does not run.

Vendors understand that they are expected to be in attendance for the full operating hours of the market or event, or until a determination is made by The Market on Dearborn ownership team to close early due to weather or other circumstance on a case-by-case basis.

Vendors understand and agree that their assigned space must be set up by the start of the event or market and all vehicles used for unloading purposes must be off the market lot by 30 minutes prior to that start time and can return no earlier than the conclusion of the market/event, unless an early close determination has been made, to allow all pedestrians to leave the premises.

Vendors understand that The Market on Dearborn staff may take pictures and videos of the market and booths, for marketing purposes, and agree that The Market on Dearborn may share pictures containing their likeness and merchandise on The Market on Dearborn website and social media platforms.

I agree to these terms and conditions.
