The Keyport Twilight Golf League is a social league for players of all abilities, from near-scratch to first-time golfers. **Open to Keyport government, contractor employees, residents, and friends and relatives and everyone else!** The league season consists of 9 holes played every Thursday for 20 weeks. **Tee times are 3:30 to 5:00 this year.** Players of equal ability (handicapped average) are grouped in Flights of 6, and the competition is individual matches against one of those people each week. **Flights are rearranged by average for the 2<sup>nd</sup> half starting 9 July, and new members will also be accepted at that time.**

Join us for the fun!
