

SPRING HAS ARRIVED — STAY SHARP OUT THERE

Spring is here, and work is picking up fast. More jobs, more traffic, and more activity on the roads means everything is moving quicker, and there’s less room for mistakes. That’s not a bad thing—but it does mean discipline matters more than ever.

First, thank you to everyone showing up, staying focused, and doing things the right way. That consistency is what keeps crews safe and operations running smoothly as the season ramps up. As new people and contractors come onto jobs, make sure expectations are clear from the start. Ask questions if you’re unsure, follow the setup exactly, and don’t assume anything. A few seconds of communication can prevent serious issues once traffic is flowing through a work zone.

Spring also brings a major challenge—distracted drivers. People are more relaxed behind the wheel, but that often means less attention on the road. That’s why flagging becomes even more critical this time of year.

Stay visible, stay alert, and stay confident in your movements. Don’t assume drivers see you or are paying attention. Clear signals and proper positioning matter every time. Stay sharp, stay safe, and stay ahead of it.

SOCIAL SOLUTIONS

The office staff has been busy at work expanding our social media presence. Like, Share, and Follow our pages for updates, anecdotes, and maybe even a meme or two! Our socials are linked here.

Core Values:

- Loyalty through dedication and commitment
- We show up for each other no matter what

- Execute with intent
- We make shit happen
- Core Focus:
- To increase industry safety through high quality logistic planning and innovative system solutions

“Discipline is the bridge between goals and accomplishment.” – Jim Rohn

1249 ANNUAL SAFETY MEETING NOTICE

We’re excited to announce our Annual Safety Meeting will be held at:

Buffalo Wild Wings

1 Mamaroneck Ave, White Plains, NY 10601

 May 12th

 5:30 PM

We’re looking forward to seeing everyone there as we come together to review what keeps our crews safe, aligned, and prepared for the busy season ahead. This meeting is an important opportunity to reconnect as a team, go over expectations in the field, and reinforce the standards that keep everyone protected on the job.

Safety is always the priority, and we’re excited to have the whole team together to focus on what matters most—getting the job done safely and going home safe every day.

PAPERWORK COMPLIANCE REMINDER

Keeping your licenses, certifications, and documents up to date with the office is required to stay active and work-ready.

Expired paperwork can delay or prevent job assignments, even if you’re fully qualified.

Most job sites require current records before entry, so anything outdated can stop you from being dispatched.

Send updates as soon as anything changes—staying current keeps you compliant and keeps you working.

APRIL MVPS:

We are pleased to recognize the following employees for their outstanding performance and dedication:

- **1049 Anthony Mendez**
- **1249 Ronjay Dunk**

These two employees have a can do attitude. They start their day with a positivity and are always eager to get the job done and get it done safe!
