

SUMMERS COMING, STAY FOCUSED

As the weather warms up and summer kicks into gear, more student drivers are hitting the roads, families are planning weekend getaways, and distractions are on the rise. Distracted drivers are our biggest threat, and every single one of us is a front-line defender—not just for ourselves, but for the crews working beside and behind us.

We want to take a moment to reflect on a recent tragedy that shook our industry. In Eden, North Carolina, a dump truck ran a stoplight and slammed into a utility crew, killing four workers and injuring another.

[You can read the full article here.](#) These were men just like us—showing up to work, doing their job, trusting their setup. A single reckless decision took four lives and left families broken forever.

Let it serve as a powerful reminder: we have to look out for one another. We are our brother's keeper. That means checking in, speaking up, staying alert, and watching each other's backs. That's what builds a true safety culture—not just cones and vests, but care, responsibility, and respect for life.

Payroll App Update – We Hear You

We recently began rolling out a new payroll app aimed at making things simpler, faster, and more efficient. First off—thank you to everyone who gave it a shot and offered feedback. Your openness to change is what keeps us moving forward.

We decided to pause the rollout temporarily as we work through some clarifications with the union. We want this system to work for everyone—and that means easing concerns, making it user-friendly, and ensuring it's something that benefits the entire team.

We'll be reintroducing the app as a trial run with volunteers in the coming weeks. We want to take our time and get it right. Stay tuned—and thank you again for being a part of the progress.

Wishing our AUS Mothers & Grandmothers a Happy Mothers Day.

We deeply appreciate the hard work, strength, and dedication you bring — both on the road and off. Whether you're out in the elements keeping traffic moving safely or supporting your families at home, your efforts don't go unnoticed. Thank you for all that you do — today and every day!
