

## What to Expect During Your DNA Test

Thank you for choosing SurePath Diagnostics. We're here to make the DNA testing process simple, professional, and stress-free. Below is a quick overview of what you can expect before, during, and after your appointment.

### Before Your Appointment

- We will confirm your appointment date, time, and location in advance.
- Please bring a valid photo ID. If a child is being tested, bring their birth certificate or proof of guardianship.
- Avoid eating, drinking, or smoking 30 minutes before your test.
- A payment link will be sent to you prior to your appointment. We accept payment via debit/credit card, Klarna, and Afterpay.

### During Your Appointment

- Our professional collector will verify your ID and walk you through each step.
- A photo may be taken as part of the required documentation.
- We use a simple cheek swab (no needles or pain). The process takes about 15 minutes.

### After Your Appointment

- Your samples are sent to our partner laboratory the same or next business day.
- You can expect results within 5–7 business days once the lab receives your sample.
- Results will be sent securely by secure portal. A printed copy will also be sent.

### Your Privacy Matters

Your personal information and test results are confidential. We do not share or sell any of your data.
