CedarSafe®

100% Aromatic Cedar Planks™

WHY IS CEDARSAFE'S AROMATIC CEDAR THE BEST?

► Highest Percentage of Heartwood in the Industry

► Superior Sanding with 220 Grit Abrasives

► Repels Moths and Other Common Household Insects Naturally and Safely

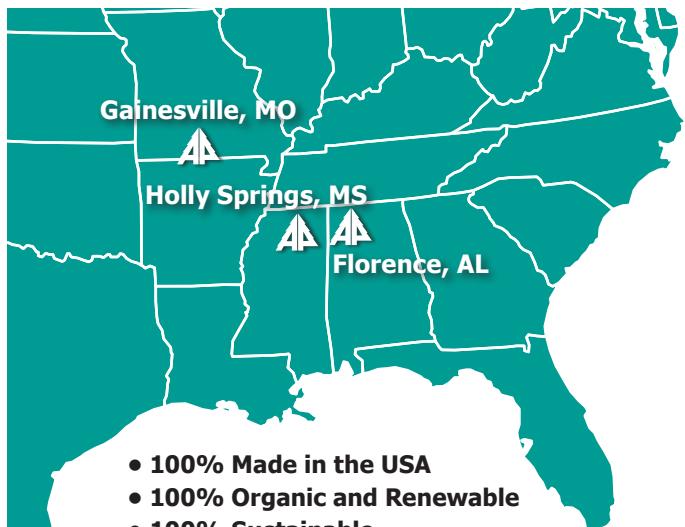

CedarSafe's Aromatic Eastern Red Cedar is 100% natural. It has been proven to repel insects such as Moths, Silverfish, and Cockroaches.

How does it do that?

- Dehydrates the insect
- Interrupts their pheromones
 - Suffocates them
- Interrupts their chemical balance
 - Dissolves larvae and young insects on contact

► Made in the USA, Since 1886

- 100% Made in the USA
