Good morning Damon,

We have met to my knowledge but I usually always try and meet other Black business owners due to there's just not many of us out here in LA.

I'm not sure if your still here in LA but I came across Ann add that your selling the location in Marina. I wanted to have a conversation about it. I'm not sure if Marv sent you the offer yet but off the record I wanted to have a conversation with you.

If you around or free to talk please let me know.
