

Small City Farm 2026 CSA Contract

In becoming a member of the Small City Farm Fall CSA, I understand that I am making a financial commitment for the 2026 Fall season by sharing the cost of farming with the farmer.

I understand that there are no refunds. I understand that if I have any questions about membership that I must contact the farm for answers *before* joining.

I understand that due to weather, pests, predators and other hazards of farming that the actual harvest amounts will vary and that Small City Farm will make every effort to ensure a successful season, but makes no guarantees as to the total value or amount of produce provided over the course of the Fall 2026 season.

I understand that shares cannot be personalized. I understand that Small City Farm is private property, not a retail establishment, park, petting farm or recreational area. No one is permitted to touch equipment and animals without our permission.

I agree to respect the Small City Farm property and to leave no children unattended and that pets are not permitted without the permission of Small City Farm. I agree not to hold Small City Farm responsible for any injuries, accident, damages or liabilities while on the premises.

I would like to participate in the Small City Farm Fall CSA for the 2026 growing season. I understand that the weather and other factors beyond the control of Small City Farm may result in more or less of crop production. I understand that shares are nonrefundable and limited on a first come first serve basis.

I understand that pickup is on Tuesday between 1:30pm and 6:30pm. If I am unable to either pickup or send someone else to pick up my share at this time, I must notify Small City Farm before 6pm on the SUNDAY prior to the CSA pickup to make other arrangements. Otherwise I understand I will forfeit my share for that week.

I have read, understand and agree to these terms.
