

# What if you're the answer to cancer?

# answer2cancer

## Patient Education Summit

**Answer2Cancer** is a free, upcoming patient education summit on Saturday, April 7th - planned by cancer patients for cancer patients and their caregivers or care partners.

While Portland, and all of Oregon, is the hot spot for cutting-edge cancer research, **Answer2Cancer** has been created to help patients and their caregivers/helpers/families overcome the challenges of treatments and learn helpful, healthful survivor strategies. Come and be a part of the community for patients with all types of cancer.

This event has been planned with Compass Oncology. Come to hear from their experts: oncologists, nurses and patient helpers who will share about all topics cancer, including symptom management, pain management, grief/loss, survivorship, clinical trials, immuno-therapy, and tips and tools that will help you. Laugh and learn, and eat lunch.

When: **April 7, 2018**  
8:30 a.m. – 4 p.m.

Where: **Doubletree by Hilton, Lloyd Center**  
1000 N.E. Multnomah Blvd., Portland, Oregon

**Free** – Register and learn more at [www.answer2cancer.org](http://www.answer2cancer.org)

**REGISTER BY APRIL 4** at [www.answer2cancer.org](http://www.answer2cancer.org) or by calling toll-free 1-833-Answer2 (1-833-267-9372).

Special guest:

**Bryce Olson**, prostate cancer patient Stage 4 and the Global Marketing Director of Health and Life Sciences at Intel Corporation. Come to find out why his t-shirt says, 'Sequence me!' Also, he'll be sharing his story of empowerment. Follow him @bryceolson.
