answer2cancer.org **DIGITAL2020**

You are invited to this important cancer education event! Planned **by** cancer patients **for** cancer patients, **Answer2Cancer 2020** is a virtual, patient-centric online event hosted by Compass Oncology and patient organizations. From the comfort of your home, listen and watch experts present info on all topics cancer: symptom management, wellness and resilience strategies, immunotherapy, clinical trials, treatment pathways for your kind of cancer, survivorship and engagement tips and tools to help you. Join in with your family, friends and caregivers. Laugh, learn and interact with others who care about your cancer. Be your best advocate and maybe even your own **#answer2cancer**.

FREE, and on your schedule. What you'll get:

- Live/current content, information and Q&A with cancer doctors, clinicians and experts
- Updates on emerging research and treatments
- Talk/interact with the Share Team: Peers who can help you navigate your care
- Register by Sept. 27 – at www.answer2cancer.org or by calling 1-833-Answer2 – to get the schedule and links to presentations
