

Why Cyprus. Key Benefits.

Cyprus is an island situated in the Eastern Mediterranean Sea, known for its tranquil beauty with an array of sandy beaches and expanse of rugged mountain peaks. Along with their membership in the European Union, the strategic location of the island has played an important role in establishing Cyprus as a business hub.

Adding to this, Cyprus has an efficient and comprehensive tax system which offers expatriates a beneficial tax environment for income, investments and pensions. It's the ideal place to stay, if you're looking for a vibrant island which offers the stability of being inside the European Union.

- **Low company formation fees**
- **No tax on company dividends**
- **Member of the European Union and United Nations**
- **Low corporation tax rate of 12.5% with innovative tax break which could lead to a reduced tax as low as 2.5%**
- **Stable business environment for investors (based on British law)**
- **2 International airports both serviced by budget and premium airlines**
- **Modern public administration and government bodies**
- **More than 62 double taxation treaties**
- **Secure banking system**
