Hours

The pool is open 12-9pm, 7 days a week from the Saturday before Memorial Day through Labor Day. Inclement weather or special events may mean the pool closes early.

Warnings and Benching

Most first offenses for members and guests will result in a verbal reminder of the rules. Continued violations, or excessive first offenses like verbal arguing, will result in the person being benched for a minimum of 5 minutes or asked to leave. Physical fighting will result in immediate removal from the pool grounds and possible suspension from the pool or even termination of membership.

Lightning/Thunder/Weather policy

When lightning is seen or thunder is heard, all swimmers must exit the pool for a full 30 minutes. Each time additional lightning/thunder occurs, the clock resets for another 30 minutes. After 2 hours of resetting, the pool may be closed. Lifeguards are responsible for keeping track of timing. The pool will close if air temperature is below 70°, or in cases of extended rain or other inclement weather.
