Date: _____

Customer provided information:	Flying Heart Tips and Longarming charges:
Name: (please print) _____ Contact phone: _____ Invoicing by text: Y/N or email? if email here: _____ Please take one of my business cards for my contact info.	<ul style="list-style-type: none"> I will contact you if any questions arise as I begin your project. Minimum charge is \$50 regardless of size. Extra sewing/ repairs are rate of \$20/hour. Longarm Quilting is a taxed service. Prices subject to change and are current as of 8/10/2024 <p>Quilt top: Your top should be well pressed, with excess threads removed, and inspected for any open seams before dropping off for long-arming services.</p> <p>Quilt top should lay flat to avoid puckers during quilting. Extra fullness could result in folds/puckers during quilting.</p> <p>It is helpful to measure your quilt in 3 places in both directions: top, middle, and bottom (width) as well as left, middle, right (length). The measurements in each grouping should be the same if your quilt top is square. If not, long-arming <u>cannot</u> correct this, but you can square with your final trim.</p> <p>Quilt Backing: Your Backing fabric must be a <u>minimum</u> of 4" larger on all 4 sides of your quilt. Calculate the appropriate size by adding 8" to the length <u>and</u> 8" to width of your quilt top.</p> <p>Back should be well pressed. If seamed, the salvages should be removed and pressed open. 1/2 seam allowance is ideal. Note: Salvages can remain on outside edges.</p> <p>Backing seam charge: \$10/seam</p> <p>Binding:</p> <ul style="list-style-type: none"> Charge to create your binding: \$15 Machine attach 1 side \$.14/linear inch Machine attach 2 sides \$.16/linear inch
Need by Date: _____ No rush/anytime Note: A rush fee of \$60 may apply, depending on current workload.
