Sioux Lookout Local Education Group (SLLEG) Who are we ?

We are a Local Education Group (LEG) consisting of a group of physicians working in Sioux Lookout to support NOSM U's academic mandate, ensuring the curriculum needs of learners are met in partnership with the Undergraduate and Postgraduate Associate Deans.

Background

Local Education Groups (LEGs) are self-organized groups of NOSM U clinical faculty who deliver medical education, support professional development, and foster research and innovation. Funded through Alternative Funding Plans (AFPs) by the Ministry of Health, LEGs ensure sufficient clinical teaching opportunities. NOSM U's distributed model, spanning over 70 communities in northern Ontario, relies on LEGs for tailored support, administered by NOAMA under an agreement with the MOH, OMA, and Physician Clinical Teachers' Association (PCTA).

Get Rewarded

Applying for SLLEG membership?

- To join SLLEG, you must obtain NOSM faculty status
- Submit Application to NOSM: Complete the [NOSM Faculty Application](#), Letter of Intent, CV, Direct Deposit, and Declaration & Consent (D&C) form
- References: Provide 3 references, including at least 1 NOSM Faculty Member
- Notify SLLEG: Email us once you've submitted your application. Forward the Letter of Offer from NOSM to lmcaughton@slmhc.on.ca
- Approval Process: After NOSM approval, you'll be added to the Physician Clinical Teachers' Association (PCTA) and NOAMA for funding eligibility
