Greetings from the Antique Wooden Boat Show Dockside Traders Committee.

Preparations are underway for the 44th Annual Antique Wooden Boat Show and Festival of Arts to be held on Saturday, August 13, 2022. Our show is sponsored by the Les Cheneaux Historical Association and all proceeds from the show support the maritime and historical museums. The focus of our show is the antique wooden boat. Spaces for the Dockside Traders are limited. Twenty single spaces (size 12 ft. x 12 ft) will be available to those who market items associated with boats and boating. Spaces will be assigned on a first postmark basis and are not transferable. If a vendor finds they cannot use their space, please contact the Dockside Traders Committee as soon as possible so the space can be reassigned. These spaces will be located behind Mertaugh Boat Works between the rear of the building and the lake, on a dolomite gravel area. Stakes cannot be driven into the Dockside Traders area so please plan accordingly. Tents are not provided. You may not park your vehicle or trailer in the Dockside Traders site. As a show participant, you will have an assigned parking area.

**SHOW POLICIES:** No dogs, alcohol or smoking allowed inside the gates. Vendors may not exhibit or sell sweatshirts, polo shirts, T-shirts or other wearing apparel. All displays must fit in the assigned 12 ft x 12 ft. space. Raffle tickets may not be sold by organizations other than the Les Cheneaux Historical Association.

**Vendors must set up their displays between 7 am and 9:30 am SATURDAY morning.** Mertaugh Boat Works donates the use of the space and asks that vendors not set up until Saturday morning. Vendors will receive two (2) admission passes. Additional passes are available (\$10 for age 12 - adult, under 12 free). Vendors who forget their passes will be expected to pay admission.
