PowerUP! After School Program

NMCYF's PowerUP! After School program is provided for children ages K-6th grade who attend Chillicothe R-II or Bishop Hogan School. The program will operate Monday-Friday from 3:00-6:00 pm. Students will be bussed to NMCYF from their school, except for Bishop Hogan School. PowerUP! offers a variety of activities and resources designed to enhance and compliment daily classroom learning. Tutoring help is available, as well as a variety of other hands-on activities such as gardening, cooking, physical fitness, STEM activities and more. It is our ultimate goal to provide a safe and positive environment for students every day during after school hours. We are a 21st CCLC program, which is where students meet state and local student standards in core academic subjects, such as reading and math. It also offers students a broad array of enrichment activities that can complement their regular academic programs; and offers literacy and other educational services to the families of participating children.

- Learning Center staffed by certified teachers
