Fellow Proprietors & League Managers:

Since 1995, participating bowling centers throughout the Pacific Northwest and beyond have used this league format to generate more than \$4 million in league lineage while providing their league bowlers a fun, fast-paced and financially rewarding experience.

Now, in excess of one million, seven hundred and fifty thousand dollars in prize money has been awarded with **EVERY BOWLER** receiving a minimum of \$40 in cash when they check-in to bowl in the singles, doubles and team events. NO OTHER TOURNAMENT anywhere can match our record!

The **WSBPA Jackpot Classic** rewards bowlers with an opportunity to share in a terrific prize fund (\$87,000 in 2019). Competition is divided into two divisions based on team averages. Our goal for 2020, is a full field of 416 participants June 1-3, 2020, at The Orleans Hotel Casino in Las Vegas.

The enclosed materials outline how your center can take advantage of this league opportunity where **Every Bowler in Every League** has an opportunity to travel to Las Vegas and **Every Bowler can be a Cash Winner based on their bowling skills and “a little luck!”**

Please join us for this coming season and reap the rewards of increased league revenue, increased bowler excitement and more bowlers singing the praises of league bowling at your center.

Sincerely,

Greg Olsen – Executive Director - WSBPA

## League Format:

The foundation on which the Jackpot Classic was built... Leagues! Many centers to-date run leagues in which some, or all, of the bowlers gain entry into the Jackpot Classic Tournament. Here are some ideas...

- 1.) Jackpot Classic full season league (32+ weeks)
  - a. There is only one requirement to bowl the Jackpot Classic tournament and that is the doubles event. The registration fee is \$70 per bowler and the doubles entry fee is \$110 per bowler, for a total of \$180 per bowler. This would get them entry into the doubles event and the 25th Anniversary Gala Awards Banquet. Over a 33-week season, that is only \$6 per bowler per week and they can enter the Jackpot Classic Tournament.
  - b. Have them signup for all the events at our convenient on-line reservation portal for Singles, Doubles, Team, Mystery Doubles, Shootout, and Celebrity 9-Pin events).
  - c. The on-line reservation system will go live on August 1, 2019.
- 2.) Short-season leagues (16-24 weeks)
  - a. This is the same idea as the full season league, but condensed. You could start this as a fill in league after your September starts have floored to fill any holes you may have. Take the \$180 and divide by the number of weeks to get the price per week. Another option is to have them pay the \$70 registration fee to join the league, then divide the \$110 over the number of weeks. \$110 over a 24-week league, is still only \$5.00 per bowler per week.

Your center may organize your leagues to best fit any time slot, any ability level or any combination of team members from doubles and trios to four and five-person teams.

At the finals in Las Vegas, June 1-3, 2020, all bowlers must first compete as doubles teams.

Bowlers may then elect to compete a second time with a different partner to increase their chances to win some of the \$40,000 prize fund (based on 250 doubles teams). Bowlers may also elect *a third, fourth, fifth and even a 6<sup>th</sup> and 7<sup>th</sup> option: a 9-pin no-tap event and a Shoot-Out on Monday and Tuesday, June 1<sup>st</sup> and 2<sup>nd</sup>.*

All entries close on April 15, 2020, and will be split into at two doubles teams' divisions, two four-person team divisions and two singles divisions based on all entering averages.

**Invite your Favorite Customers to join YOU in Las Vegas for a week of fun!**

# Bowler Loyalty

Bowler Loyalty is a little tough to quantify. At numerous centers, they have increased their number of participants every year to the present. Their bowlers look forward to the tournament every year and it is a topic of conversation all year long.

What they have experienced is that bowlers that bowl in different leagues and nights, have now been mingled. They also have experienced a bond of being in Vegas together at this tournament. This seems to be “cross pollenating” the bowlers. They are bowling other events in their local center together. They are practicing together. Dining together. Having fun together because of their experience in Las Vegas.

## Questions / Answers:

**Q:**

**How much do I have to charge my bowlers each week?**

**A:**

The beauty of this league promotion is your league members have a variety of options from which to select. You'll determine your own center's weekly lineage fee, you may elect to add in \$180 per bowler to cover their first doubles entry fee and \$70 registration fee. Weekly fees have ranged from \$15.00 - \$30.00 per week based on your location and which events each bowler wishes to enter and pay for over the course of the bowling league season.

**Q:**

**Every bowler cashes at the tournament, correct?**

**A:**

YES, every bowler will receive \$40 in cash when they check-in to bowl singles, doubles and team events. PLUS, 50% of all bowlers will receive additional cash in Las Vegas in the 3 main events (singles, doubles and team), plus a 1 for 3 ratio will be used for Trios and the 9-pin no-tap event. **25% will cash in the Shoot-Out.**

**Q:**

**We heard there is a \$70 per bowler registration?**

**A:**

Yes, the \$70 fee this year, is a one-time fee covering bowling center lineage at The Orleans plus the gala awards celebration including a drink ticket, lavish buffet and tournament expenses.

**Q:**

**We frequently travel to Las Vegas and receive special rates at another hotel. Are we obligated to stay at The Orleans Hotel Casino?**

**A:**

**We face significant penalties financially if we do not meet our room reservation block. The Orleans again this year is providing a fabulous room rates...we hope everyone will consider staying at The Orleans which is just a short shuttle ride on a FREE bus to The Strip. \$47 Sunday through Thursday and \$99 Friday and Saturday (plus \$12.99 resort fee per room per day.**

**Q:**

**What can I do to best estimate the costs of travel from our area to Las Vegas?**

**A:**

Go on-line to research the best current package prices for airfare and hotel in Las Vegas. Increase these package prices by 20%-25%. Come January 2020, the airlines will be able to confirm their rates. You may have to slightly adjust your weekly league fees up or down once your travel costs have been confirmed. Research rates on-line each month for best deals! 2019 airfare averaged \$225 plus baggage fees.

**Q:**

**What averages will our bowlers use at the tournament in Las Vegas?**

**A:**

Bowlers will use their highest ending average in a Jackpot Classic League for the 2019-2020 season **AS OF APRIL 1, 2020**, UNLESS, another 2019-2020 season average or 2018-2019 season ending average is 10 pins

or more higher. In that case, the highest average, LESS five pins will be used. **Bowlers may be re-rated based on their performance in the Jackpot Classic Tournament in 2016, 2017, 2018 and/or 2019.**

A bowler MUST have a minimum of 21 games bowled in a Jackpot Classic League to be eligible to bowl in Las Vegas or a 21-game average in another 2019-2020 season league **plus an average from the previous season.**

**Q: Is this a scratch or handicap event?**

**A: Handicap.** We've found that a high percentage of people attracted to this league format are novice league bowlers. The tournament and weekly competition are not as important to them as having fun and looking forward to a mini-vacation at the end of the season.

The handicap system used is 100% handicap versus the highest entering doubles team average. Every year we have approximately 25% of the bowlers with averages in excess of 200. A minimum entering average has been established at 100. (200 for a doubles team).

**Q: How do you determine which division our bowlers are assigned to and how is the prize money paid?**

**A:** Each event is a separate tournament divided into at least two divisions based on the entering averages of all teams. We determine the mid-point of all teams bowling in all squads for that event and split the field down the middle with 50% of the teams in the top average division and 50% in the lower average division. The mid-point, doubles team average, has averaged between 335-350 each year.

The advantage of this format, is NO team is receiving more than approximately 100 pins in handicap per game. Spread over three games, this gives both the higher and lower average bowlers a fair opportunity to be successful.

**Q: Can our bowlers enter the tournament more than once? We have several multiple league bowlers that would like more chances to bowl?**

**A:** Yes. Again in 2020, bowlers may enter the doubles event a second time. However, they must do so with a different doubles partner. The entry fee for their second doubles opportunity is \$95 per bowler, due and payable no later than April 1, 2020.

**AND again in 2020**, we'll have both a four-person TEAM Division AND a Singles competition. (Every bowler must FIRST bowl the regular doubles format, then they will be eligible to bowl either a 2<sup>nd</sup> chance doubles entry with a different partner, or enter the four-person team event and/or singles). **The Team and Singles Divisions will on various days June 1-3.**

Both the 2<sup>nd</sup> chance doubles and Team and Singles Divisions entry fees will also be \$95 per bowler, which includes tournament prize fund and tournament expenses.

Events continuing for 2020 include a Shoot-Out Monday, June 1st at the Orleans Bowling Center.

**Q.** A bowler enters the tournament but is unable to bowl in Las Vegas. What happens to the \$40 of prize money the bowler would have received at check-in for singles, doubles and team events?

**A.** The \$40 belongs to the bowler who submitted the entry fee. At the tournament site, we will work to find an eligible bowler to fill that empty slot. The \$40 belonging to the original bowler may be picked up by the designated center owner or league officer. If none are present, the WSBPA will mail the original bowler a check for their \$40 after the tournament.

**Q.** What happens if the WSBPA finds an eligible bowler to replace someone unable to bowl and that person qualifies to win additional prize money?

**A.** In the case of an original bowler unable to participate at the tournament site, that bowler will enter into an agreement with the substitute bowler regarding additional prize money. Suggestions include sharing additional winnings evenly (50-50), the substitute bowler receiving all the additional prize money won or any percentage pre-determined by the bowler who originally paid the entry fee.

Any unresolved disputes will be resolved by the WSBPA Jackpot Classic Tournament Committee.

## **AND...BACK For 2020**

**Q: If we have additional questions once we begin our league, is there a place to call to get our questions answered?**
