The Jackalopes are selecting elite prospects to join them in the NAHL Prospect Challenge to be held in Blaine, MN on May 28th to May 30th 2021. This event is a NAHL Showcase with 1 entry per NAHL team.

This event will provide players an extremely good opportunity to be coached by NAHL staff, play in an Elite Showcase with NAHL coaches and scouts. The NAHL Prospect Challenge is prior to the 2021 NAHL Draft and before any NAHL teams can run Pre-Draft or Main Camps. It is a great chance to become tendered, secure a draft position or learn about the NAHL, Jr. A and the Odessa Jackalopes.

Roster spots will be limited with NAHL teams only permitted to enter 1 team per age group:

1 entry for the U-18 (2003/04) division. Roster will consist of 2 Goalies, 6 Defenseman and 10 Forwards.

1 entry for the U-16 (2005/06) division. Roster will consist of 2 Goalies, 6 Defenseman and 10 Forwards.
