**All:**

Lord, we thank you for loving us so much.

We thank you for all that we have accomplished and we thank you for new beginnings and new opportunities.

Thank you for forgiving us when we have made a misstep and thank you for your redemptive power.

Please guide us and continue to give your light to direct our paths.

Help us stir up our gifts and remind us that we are wonderfully made.

We pray that we will always find our hope, our peace, and our joy in you and that we will always give you all of the praise, all of the glory, and of the honor in our lives.
