## Prominent artist, falconer dies at 61

Byron J. Gardner, a prominent Northwest artist, professor emeritus of art at Portland State University and a master falconer, died of cancer May 14 in an Oregon City care center. He was 61.

A memorial service will be at 2 p.m. June 7 in the Cabell Center at Catlin Gabel School.

Born June 5, 1930, in Portland, he was a graduate of Gresham High School and the Portland Art Museum School. Mr. Gardner was primarily a landscape artist and his paintings are on display in a number of Northwest museums, as well as in private collections.

At the time of his death, he was professor emeritus of art at PSU. Mr. Gardner taught art at Catlin Gabel School for 13 years and had been an artist member of the board for the Portland Art Museum. He also had been a board member of the High Desert Museum in Bend and the Boys and Girls Aid Society.

GARDNER

Mr. Gardner became intrigued with falconry after reading about it during his boyhood. He became seriously involved in falconry in 1958 and had a large role in promoting its respectability in an era when many falcons were either being shot or decimated by the effects of DDT.

In 1977, he helped form the Oregon Falconers Association and had served as president of the organization. He also had been a director for the North American Falconers Association and designed the organization's logo.

During an interview with a writer for The Oregonian in 1991, Mr. Gardner said the advent of lightweight radio transmitters in recent years helped to solve what has historically been the bane of the falconer — tracking the whereabouts of the often capricious birds.

"If you don't get to a falcon soon after it takes a bird down, it will eat its prey and go off on its own," he said. "Falconers aren't like puppy dogs. They're wild creatures and they don't need you. They can be sweet and even friendly, but they can still set their sights on the distant horizon and go."

Mr. Gardner also was a past president of the West Hills Unitarian Fellowship Church.

Survivors include his wife, Judith Ann; daughter, Elizabeth Woods of La Center, Wash.; stepdaughters, Angela Sorensen of Oregon City and Lela Edmiston of Milwaukie; and five grandchildren.

Disposition was by cremation.

The family suggests that remembrances be contributions to the North American Falconers Association, 354 Country Road 22, Durango, Colo. 81301.

He proudly served as a paratrooper in the 187th Airborne, where he received a National Defense Service Medal, as well as a Good Conduct Medal. After returning to Oregon, Matt met his beloved wife of 59 years, Pat, on Mt. Hood. They married in December 1957.

In 1959, Matt began his career as a fire fighter with the Portland Fire Department. He went on to become a Fire Marshall/Inspector with the department, and retired in July 1990. He was passionate about his work and the lifelong friendships that he developed as a result.

Matt loved skiing and being at the mountain. He worked at Sun Valley after graduating high school and joined the racing circuit. He coached the Lewis and Clark College Ski Team for several years, as well as David Douglas High School's ski team in the late 1970's. In 1964, he co-founded Mt. Hood Race Team, along with Duane Bridge. Matt touched the hearts and minds of countless skiers and their families for over five decades. He was a positive influence, fostering a love of skiing and a sense of community in the young racers he coached.

Matt was named "King Winter" in 1975. This honor is bestowed upon an extraordinary individual who has contributed significantly to the sport of skiing and to the mountain community during their lifetime. He continued to be active in both the Government Camp community, as well as with the sport of ski racing into his final days.

In addition to skiing, Matt truly enjoyed the outdoors and spending time with his family and friends. He looked forward to elk camp each fall, trips to the ranch, river rafting, cutting firewood for the cabin, and fishing and camping with his children and grandchildren. Matt also spent a lot of time in his workshop, building things, teaching his grandkids how to hammer and saw, and watching football. Come winter, he loved spending time at the family cabin in Government Camp. Warm fires, falling snow, friends dropping by, family dinners and endless banter filled his weekends.

He was a devoted husband, father, grandfather, and great-grandfather who adored his family. Matt liked to share his stories, and he had many to share after a life well lived. He encouraged each of his children and grandchildren to see the good in life and people, to be open to adventure, and to not take themselves too seriously.

Matt is survived by his wife Pat, children Mike Greenslade (Mary), Cindy Johnson (Gary), Jim Greenslade (Camille) and Shelli Greenslade-Silbaugh (Scott); his grandchildren, Heidi (Travis), Erica (Nate), Kevin, Luke, Mackenzie, Mason and Tate; his great-grandchildren Gale and Leo (and one in route).

The family would like to express their sincere gratitude to the Legacy Good Samaritan Hospital Team and Hospice, and to the family and friends who came to visit him. We thank God for the gift of his life and the blessing of the time we spent with him. He will be forever in our hearts and minds. He is missed dearly.

A celebration of life will be held in Matt's honor on Sunday, July 23, 2017 at Ski Bowl East at 1:00pm.

## Roger Clarence Germundson

May 4, 1933 to March 7, 2020

Roger C. Germundson, 86, died peacefully on March 7, 2020 surrounded by his loving family.

Roger was born May 4, 1933 in Hope, North Dakota, the son of Clarence and Millie Germundson. He lived with his parents and sisters during the depression. His dad died from cancer December 31, 1939, just a few hours shy of Millie becoming eligible

to receive social security. So the family could get by, Roger lived with different relatives throughout his childhood. At age 10 he became a regular farm hand. He learned to drive a tractor, weed crops, stack wood, ride a horse, herd sheep, milk cows, and haul manure. At age 12 he could harness a team of horses.

In 1951 Roger joined the Navy, specifically the Seabees and served in Korea and Japan for four years, specializing in heavy equipment. After the Navy, Roger made his way to Oregon. His first job there was mechanical work and running a Marion rig that laid riprap in the Willamette River. He also worked in construction and insurance before eventually returning to school and becoming an attorney in 1967. He practiced law in Gresham, Oregon his entire career.

Roger married Donna Jacobsen (also from North Dakota) and they had four children, Cheryl Terrusa (Jim), Carl Germundson (Jennifer), Mary Sellers (Dave), and Curt Germundson (Susan). Years later, Roger married Jackie Collicott and purchased land and a home in Troutdale. It was at this home where Roger and Jackie began a new chapter of Grandparenting. Sleepovers, pool parties, camping and Easter egg hunts were just but a few of the many activities they loved to do with their Grandchildren. They also loved to travel and visited destinations all over the United States in one of the many motor homes they would own. Roger and Jackie were very active with the Oregon Old Time Fiddlers for many years throughout their retirement. After Jackie's prolonged illness and subsequent death, Roger met with one of her good friends Donna Nichols, to give her some old pictures. Sparks flew! Donna and Roger spent the last few years traveling and enjoying each other's company. Donna and Roger were wed in May of 2019 and squeezed more into their time together than one could imagine possible.

Ambition was always a key trademark of Roger. Always on the go, he could often be found with man's best friend at his side. He loved his family, Old Time music and camping in his RV's. He made many friends, was a mentor to many, and always closed a deal with a smile and a hand shake. Roger instilled in his children and grandchildren the importance of hard work, family, community, camping and the love of music. Roger greeted everything he did with passion and was committed to the success of everything he was passionate about. Roger was very active in the community and supportive of organizations that made lives better. He was a member of Trinity Lutheran Church, Oregon Old Time Fiddlers, and Zarephath Ministries.

Roger is survived by his sister Raneen Svenningsen of Valley City, North Dakota. He is preceded in death by his sister Janet Stockmoe of Texas.

A celebration of his life will be held at Trinity Lutheran Church in Gresham on March 20, at 11:00 am at 507 W. Powell Avenue, Gresham 97030. The family suggests that in lieu of flowers, please send any gifts to Zarephath Ministries.

**PANORAMA MEDIA Shirley Gunesch 5/6/2020**

January 27, 1920-April 22, 2020

Long-time Gresham resident Shirley Gunesch, passed away peacefully on April 22, 2020 due to complications of age. She had recently celebrated her 100th birthday with her extended family.

Born Shirley Virginia Morton in Cleveland, Ohio, on January 27, 1920, she was the daughter of Sidney and Doris Morton. As a young girl she lived in Lockport, New York. The family later moved to Elkhart, Indiana, where she graduated from high school and attended nearby Goshen College. After college she met and married Raymond Gunesch in 1944. They lived for a short time in Sitka, Alaska, while Ray was in the Coast Guard, and afterwards, attracted by the natural beauty of Oregon, they decided to settle near Gresham, where they raised their 3 sons: Douglas (deceased), James, and William. Except for a short period when she taught kindergarten in Fairview, Shirley chose to stay home with her family. She baked hundreds of cookies, canned fruit and vegetables from the family garden, volunteered for PTA and Booster groups and never missed one of her boys' sports or musical events. Ray and Shirley never lost their love for the beauty of their adopted state. They filled their leisure time with family camping, skiing on Mt. Hood and trips to the Oregon Coast. Shirley was a long-time member of First Church of Christ Scientist in Gresham and for many years she was a Christian Science practitioner. After Ray died in 1983, she moved to Powell Valley Assisted Living Community. In recent years, as her mobility declined and her memory faded, Shirley moved to Tabor Crest II Memory Care, where she spent the remainder of her days under the loving care of the staff there.

Shirley was a caring and engaged mother, grandmother, church member, friend and wife. A positive and fun-loving woman, she will be remembered with deep love and gratitude by those who knew her, especially her two surviving sons, three daughters-in-law, seven grandchildren and six great-grandchildren. Shirley will be interred at Sunset Hills Memorial Park. Donations may be made in her name to First Church of Christ Scientist, Gresham or World Wildlife Fund.

**Hans Gutmann**

June 3, 1935 – June 18, 2020

Hans was a beautiful, kind, and generous man. He was quiet and modest and cherished his friends and family.

He was born June 3, 1935 in Friedrichshafen am Bodensee but spent most of his childhood in Graz, Austria after the end of World War II. To entertain themselves, he and the other kids used abandoned explosives to destroy a wasps nest and to "catch" some fish in a local pond. His parents would have been horrified. As he got older, his energy thankfully turned to backpacking and skiing in the Alps, and, eventually, to studying engineering.

Speaking little English and less French, he accepted a transfer to Montreal, Canada to work with Sandwell International. His wife Ursula was excited to explore the world with him. Over the next few years, they moved to Switzerland and then back to Montreal for his career. He continued to develop his expertise in pulp and paper engineering in Canada, but his spare time was spent with his wife and kids. In the winters, he shoveled lots of snow, and built igloos and forts in the front yard and an ice skating rink in the back yard. We destroyed the forts, pummeled each other with snowballs, and learned to skate. Mom dressed us to keep us warm and quickly undressed us when nature called. None of us became great hockey players, but we sure had fun!

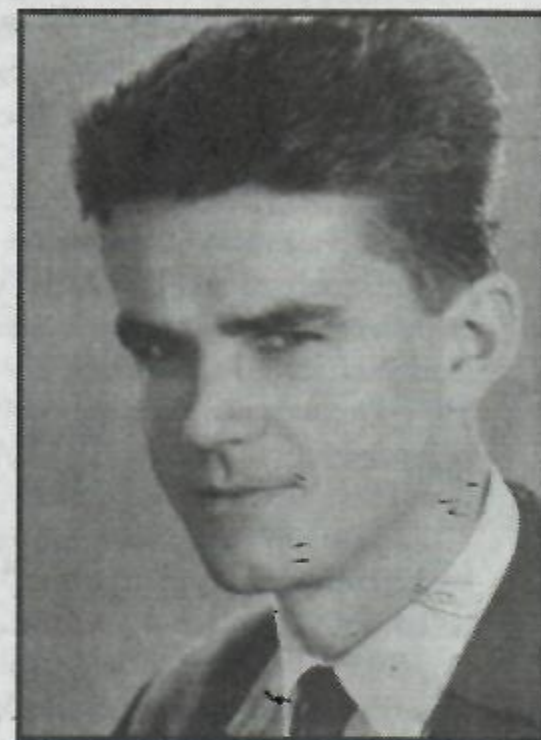

Dad was transferred again in 1973, this time to Portland, Oregon. He and Ursula thought they had been sent to the boonies and decided immediately they would only stay for 6 months. They spent the weekends of those months camping, backpacking, and skiing and realized that Oregon and the Pacific Northwest was a spectacular place to live and to raise their kids, and they never moved again.

He learned Spanish and traveled to Central and South America. His Spanish with a German and English accent probably was difficult to understand, but his skill and dedication were appreciated nonetheless. In Oregon, he claimed strangers often said he reminded them of someone, and

after a little pause, they identified the "someone" as Arnold Schwarzenegger. English with an Austrian accent. I never really believed the story until a few years ago. He said a few words of greeting to a stranger. She stopped, looked at him, and said he reminded her of... Dad cringed and I laughed! It was true! Arnold.

Ten years ago, while hiking and visiting with friends and family in Switzerland and Austria, he was diagnosed with heart failure. He came home to have surgery and needed a revision 6 weeks later. He flew through the second surgery and recovered well. We were told his new valves would last about 10 years. He made great use of those years! They were filled with skiing, hiking, and relaxing at the coast, with a Full Sail Amber Ale beside him in the sun. He loved good food and the monthly family lunches at Justa Pasta. He treasured his extra time with his neighbors, his friends at The Austrian Club, and his aging colleagues from work. Most of all, he loved being with his family.

A wonderful Dad, husband, and grandfather died peacefully at home in his sleep on June 18, 2020 with Ursula by his side. He is missed by Ursula; his kids Hans, Caroline, Steve, and Peter; his sons-and-daughters-in-law Scot, Amanda, and Kenan; and his grandkids Fin, Max, Reed, Alex, Oliver, Kari and Maia. We think of him often. May everyone enjoy life, friends and family as much as he did.

## Rose Mary Green

March 30, 1945 to November 20, 2020

Rose Mary Green, Mother, Educator, Quilter, Grams, Union leader, Gardener, Bargain Shopper, and Loyal Friend died peacefully in her home on Friday, November 20, 2020 at the age of 75.

Rose led a life of love and service. Her strong faith in God guided her life. She taught her children and grandchil-

dren to believe in themselves and to never let those around them dictate their potential or purpose. She was their greatest fan, attending almost every game, dance recital, or performance.

Rose made everyone who came into contact with her feel special. She never let a birthday or holiday pass without reaching out through a call, a visit with a present, or sending one of her famously beautiful cards.

She loved everything about Christmas she hunted throughout the year for gifts for family and friends. She even kept extra gifts just in case someone dropped by during the holidays. And the holiday food – her rum cake, spritz cookies and standing rib roast will be sorely missed.

Rose's thoughtfulness had no bounds. She was the one you could count on to build you when you were down and to celebrate your achievements as if they were her own. She demonstrated real friendship through her actions.

As an educator, she brought the same kind of service to the students at both East and West Orient schools, first as a behavioral modification aide and later in the beloved Mrs. Green's computer lab. But she didn't stop there, she also extended this service as part of the Oregon School Employees Association, making sure that Classified Employees in her district and the state received fair treatment and compensation. In 1997, she received the OSEA Classified Employee of the Year Award for her efforts.

Even after her retirement, Rose continued to be of service to the community.

While working as a community health worker with Kaiser Permanente and the African-American Collaborative Research Network she trained "Soul to Sole" program participants for The Hood To Coast relay race. She and friends also volunteered at the local soup kitchen in Gresham.

Rose liked to have fun too. She was a professional bargain shopper for anything. She loved fabric and making full quilts and quilted items. Her courtyard garden was a daily devotion and she rarely turned down a trip to one to the nearby Casinos with her friends. She treasured her "Tuesday Group Ladies" and the many meals she shared with every friend.

There wasn't a place in the world that Rose didn't make a friend from Gresham Dollar Tree to the Louvre Museum in Paris; Rose's smile, laugh, hugs, and goodness will be felt forever.

Rose is survived by her brother Dr. Richard Williams Jr. and sister-in-law Dr. Voletta Williams (Port Gibson, MS), her children Benita Husband (Los Angeles, CA), Hugh Robert Green Jr. (Portland, OR), and four grandchildren Keyesa, Niyya, Jibril and Ismail Green. She is preceded in death by her husband Hugh Robert Green Sr., her sisters Dorothy Morris and Rosie Lee Jones, and her parents Effie Ethelrine Williams and Richard Williams Sr.

## Joan Tomsha Campbell Gunderson

January 27, 1942-August 24, 2021

Born Marion Joan (JoJo) in January of 1942 to Leslie and Arlene Tomsha in Colorado Springs, CO. Her parents with her and her 4 siblings settled in Gresham. Jo belonged to The Young Oregonian Song and Dance Club, the Glee Club and tumbling team. She graduated in 1960 from Gresham High School.

While visiting her older brother who was in the Navy, stationed in San Diego, she met and married the first love of her life, our father, Barney Campbell. She had her first daughter, Sherri, who they named after her little sister. They moved to the Portland/Gresham area and soon welcomed their second daughter, Leslie, named after Jo's late father.

Mom enjoyed gardening, hunting, camping, square dancing and bowling with her lifelong friends. She worked for a marketing firm and as an interior designer- decorating model manufactured homes. After the loss of her husband in 1975, she overcame a mountain of heartache and took pride in raising her two daughters on her own. Moving next to her mom, she worked for her as a bookkeeper and construction worker, and a saleswoman at the dress shop in town, Pauletta's.

In 1982 she married Alan

Gunderson, who squared danced and worked with her late husband. Residing in Sandy, they celebrated joining their two families together and enjoyed their middle and later years of life together. They both were blessed with not one, but two loves of a lifetime and reminded us of their good fortune often. They continued to square dance, travel with their dog Holly, and were very active in their church and community.

Mom joined the VFW auxiliary becoming V-Pres and later President. She enjoyed her work beside Alan at the VFW, who was also a Navy Veteran. She took on painting later in life and became very talented. She loved sharing her artwork with others, paint days with the girls, and passing on art skills to her grandkids. After a long battle with illness, she lost Alan in 2012. She continued as the Youth Chairman for the VFW for the last 7 years, remained active in many of the friendships her and Alan made together, and took up a newfound love for 5 stray kitties she rescued.

She loved and cherished time with her family of 2 daughters, 3 stepchildren, 14 grandchildren, and 18 great grandchildren, she kept very busy.

Surrounded by her family in her home, listening to her favorite music and to us reminisce of our memories with her, Mom went into the arms of our Lord Jesus on August 24th, 2021 reuniting her with her past loved ones. She would tell you that she did not have a single regret about her life. She lived through Christ, loved whole heartedly, and raised many generations to continue her legacy.

We will celebrate the life of Joan Gunderson on September 25th, 2021 at Sandy Funeral Home at 11 o'clock in the morning, with an outdoor luncheon to follow at her daughter Kristy's house in Rhododendron. A private burial was held at Forest Lawn Cemetery in Gresham.

**William H. "Bud" Gillison****March 21, 1932 - September 28, 2021**

Despite his humble beginnings, Bud would tell you he lived a wonderful life. He was born in Lovell, Wyoming, to Forrest Gillison and Elsa Herget Gillison. Business loss during the Great Depression brought the family to Portland, where Bud grew up, attending Hosford Elementary and Washington High School, graduating in 1950. Family circumstances forced Bud to begin working early: in a battery factory at age 12, followed by many jobs, including bowling alley pinsetter, dishwasher and golf caddie. After high school, Bud pledged Alpha Tau Omega at Oregon State, and also attended BYU, before being drafted into the Army in 1953.

Shortly after his honorable discharge, Bud's life changed in an instant, when he met Suzanne "Sue" Griffith. When Bud told Sue on their second date that he was going to marry her, Sue replied, "I knew that on our first date." They married soon after and welcomed daughter Lynn the following year. Being a new husband and father motivated Bud to provide for his family. Hard work and a series of promotions and company mergers led Bud, Sue and their growing family (now including daughters Karen and Sandra) to Davenport, Iowa, and Greensboro, North Carolina.

Bud retired in 1984 as President and COO of United Guaranty Corporation, an AIG company. Bud loved growing that business and mentoring others; until limited by age and travel restrictions brought by COVID, Bud and some of his dearest United Guaranty colleagues met annually in Arizona to golf and reminisce. Bud's work on YMCA Boards of Directors in Davenport and Greensboro helped open new facilities, improved after-school programs in those cities, and furthered Bud's life-long interest in fitness.

Bud and Sue returned to Oregon, where they settled in Lake Oswego and renewed old friendships. Early retirement did not suit Bud. Based on his love of business

travel, Bud started and ran GK Travel, which led to terms on the local and national Boards of the American Society of Travel Agents (ASTA). Bud's affiliation with ASTA afforded him and Sue opportunities to travel the world. They experienced wondrous sights, cultures, food and wine, especially at their beloved place in Poipu, Hawaii.

After Bud sold the travel agency, he and several associates started Oregon Business Bank, which was later purchased by Banner Bank. Bud was also involved in commercial real estate ventures.

While Bud excelled professionally, he would say his greater achievements were personal. He was a good friend; if wealth was measured in close friendships, Bud was rich. He and Sue had almost 60 happy years together, until her death almost seven years ago. Bud was incredibly proud of his daughters and his grandsons. He is survived by his sisters Joan Sinclair of Riverside CA, Sue (Hugh) West of Salt Lake City UT, Melly Holmstead of Sandy UT; his daughters Lynn Gillison and Sandy Gillison, of Portland, Karen (John) Thompson of Lake Oswego; and grandsons Sam Thompson and Will Thompson of Portland. At Bud's request, there will be no service, but donations to Doernbecher Hospital, Red Cross, or Village Baskets, c/o Lake Oswego Chamber Foundation would be welcome.

Rita Eulah Goodwin, 78, a resident of Cornelius, Oregon for nearly 50 years, died peacefully on Friday evening, February 11, 2022.

Rita was born on May 16, 1943, in Pittsfield, Massachusetts to the late Walter and Rita Evangeline Goodwin. When she was just five years old, Rita's family moved across the country to Philomath, Oregon in 1948. During the long drive, Rita asked her family if "all they were going to see were trees?" Rita was always the star in her dancing classes and was the chosen soloist throughout her primary, secondary and high school years. She graduated from Philomath High School with honors and as president of the Honor Society. Rita was also captain of the cheer-leading team.

Following high school, Rita moved to Portland and graduated with honors from a Portland school for radiography. She taught elementary school for over 30 years in Washington County, Oregon. Rita was beloved by her students and parents alike and received numerous awards and commendations for her excellence and outstanding service in teaching.

Among her special interests, Rita was a gifted artist in sculpture, painting, drawing and pottery. In addition to her deep love for children, Rita loved all animals and nature. For over nearly 50 years, she and her life partner, Phyllis A. McLaughlin, enjoyed a serene and contented life in the hills above Cornelius in a beautiful home lovingly referred to as their "tree house," which they designed themselves. Rita endeared herself to many in the community and was well known for her kind and gentle heart. Together, Rita and Phyllis rescued and cared for countless dogs and feral cats over the years. Rita especially adored her black cat, Jazz.

## Jim Schray

February 6, 1946 – May 29, 2022

In the early morning hours of Sunday, May 29, 2022 Jim passed quietly with wife Heidi by his side, having fought prostate cancer for 13 years. His confidence that the family he loved so much would be ok without him made the passing easier: Heidi, son Ian (daughter in law Darcy), daughter Lindsay Kane (son in

law Chris), along with grandchildren Emily, Jimmy, Grady, and Stella. Jim was able to spend private, quality time with each of them before he passed, and praised them for their achievements, assuring them that he'd continue to root them on.

Jim grew up in Coldwater, Michigan, riding his bike for miles to play baseball. After a stint playing college football in Wyoming, he joined the Air Force and spent four years in Europe. He'd work his shifts and then it was off to Interlaken, Switzerland with his buddies, getting into appropriate amounts of trouble.

He eventually graduated from Western Michigan University, and moved to Oregon to work as a field rep for Xerox, proving that hard work and perseverance always wins the day, especially when good fortune is added to the mix. Ultimately, Jim spent most of his career in medical device sales, until retiring during a round of golf at his beloved Black Butte Ranch with his boss.

Retirement gave Jim the joy of spending time with his family in and around Lake Oswego as well as at the Black Butte Ranch home he loved so much.

Jim's greatest passion throughout life was golf. While he never was able to nab the elusive hole in one or shoot his age, he got close enough to keep at it, amused by the fact that he could hit the ball farther and chip and putt better than friends decades younger.

Jim was a study in contrasts. Reluctant to meet new people, but affable and fiercely loyal when he did. Fearful of failing to perform to his high standards in golf, he enthusiastically cheered the rest of his foursome. Jim was never the biggest personality in the room, but everyone wanted to be near him. He believed fully in the concept of right and wrong, but never shied from having a deep conversation with those who held different points of view.

Jim was honest, loving, fair, and simply the best person we all were blessed to know. While we will all miss him terribly, we know that his tireless efforts were the bedrock on which everything we hold dear was built. We were lucky to know him.

A memorial will be held on Saturday, June 25, 2022 at Oswego Lake Country Club at 1pm. All are welcome.
