## Common FAQs

*How much time should I allow to get ready?*

- Bride:
  - Hair and Makeup: up to 2 hours
  - Hair or Makeup only: up to 1 hour
- Additional Bridal Party/MOTB:
  - Hair and Makeup: up to 1.5 hours
  - Hair or Makeup: up to 45 minutes
- Groom:
  - Hair and Makeup: up to 30 minutes
  - Hair or Makeup: up to 15 minutes

### *Do you offer services to the Groom?*

YES! We want to take care of brides/grooms/all wedding couples on their wedding day. Even just a light grooming and color correction will make a big difference in your photos.

### *When should I book?*

Ideally, you should book your service at the minimum 6-8 weeks prior to your event date. It is on a first come, first served basis

### *When should I book a Trial appointment?*

No sooner than 8 weeks prior to your wedding should you book a trial appointment. Make sure to have any photo inspirations ready and also of your dress. If you would like to have a hair service as well, to have all hair pieces prepared. A detailed portfolio will be made between us of your overall desired look along with notes of allergies, additions, etc. Trial appointments are provided at Thairapy by Morgan's place of business, Topics Hair Salon, located in Peachtree City, Georgia. A Trial is not required for booking but it is recommended if you are unsure of what look you are wanting on the day of your event.

### *Cost for a Trial?*

Trial services are \$50.00 for hair, \$75.00 makeup and \$150.00 for both.

### *Do you stay for touch-ups?*

Yes, I do offer additional coverage for touch ups and will travel to 2 locations- typically for getting ready and the ceremony. I will remain for your photos and perform any necessary touch-ups for you and/or your partner to be.

### *How many people can I book?*

I perform services for up to 3 people on the day of the event. Any additional persons will require an additional fee as I will need to bring on one of my trusted and exceptional assistants. I cannot guarantee that my assistant will use the same equipment that I use, but I can guarantee that they will deliver the same overall result.
