

Even as we home ourselves in a highly efficient & practically cool
Launching Pad for Digital Nomads...

Located in a place that's one of the most travel-friendly & most strategically located countries among the Indo-Pacific Nations ...

In a place that allows us to live as Saint Teresa of Kolkata did... as low to the ground as possible...

In a place where English is one of the official languages...

In a place where we can lift up those who need the help of Mercy the most, right on the streets where we live...
