

There's a place for us...

Even if all we want to do on any particular day is rest in place while we enjoy the beauty we've found all around us in the fertile farmlands of Mindanao.

There's a place for us... called... PILGRIMS PROMISE ESTATES... which Mom & Meldy & Pastor Charlie & I have already begun building in Kimamon, in Santo Tomas, in Davao Del Norte, in the middle of the beautiful & fertile Mindanao Region of The Philippines.
