

All for an INITIAL INVESTMENT of ONLY \$99,000 USD along with the DEEPLY DISCOUNTED INVESTMENT of only \$400 USD/ person/month (\$800 USD/month max, should you bring a familial companion with you, or find one as you travel).

\$15,000 USD of your initial \$99,000 USD investment will be held in reserve, so that it can be wire-transferred from the USA to a bank account you establish in your name once you are in the Philippines to satisfy your local bank account maintenance requirement for your SRRV. This account is yours to use at your discretion, and can be applied to covering the \$400 per person investment you will make with us each month, as you wish. We offer you this double bonus, so that you know we've got you covered... all the way home.
