The Platform That Helps You HELP MERCY ABOUND — Right in Your Own Backyard

SCRAMBLE-4-PEACE.COM is the community development platform behind the S7-Sports™ movement.

We exist for one purpose: To help you HELP MERCY ABOUND each & every day — in the city, and across the communities you care about most — right on the street where you live.

This platform provides the digital infrastructure, training pathways, community tools, accountability structures, and service frameworks that make S7-Sports™ possible. It is the hub where compassionate action becomes organized, measurable, and scalable.

Why Membership Matters

Every participant in S7-Sports™ must be a perpetual monthly member in good standing at **SCRAMBLE-4-PEACE.COM**.

Membership ensures that everyone who plays also contributes to the leadership, service, and peace-building mission that makes each and every one of our S7-Sports™ innovations special.

Membership is role-based, not person-based.

Each role = one membership.

Examples:

- Player + Sponsor = 2 memberships
- Player in two different S7-Sports™ = 2 memberships
- Sponsor Player Role 1 + Sponsor Player Role 2 = 2 memberships
- Player + Facility Operator + Sponsor = 3 memberships

This creates a fair, transparent system where everyone supports the movement at the level of their participation — no more, no less.

What Your Membership Makes Possible

Your monthly membership directly powers:

- Community meal cost defrayment
- Dialogue & leadership facilitation training & support
- Local service campaigns & co-marketing
- Mercy Dividend tracking
- Coaching & change-maker development
- Digital tools & team management systems
- Support for mercy projects in your local community

In short: Your membership fuels the movement that fuels the mercy that enables you to be the change you want to see in world.
