

S7-Bowling™ — A SPONSORSHIP INVITATION for YOU!

**Become an Active Partner in the Make Mercy More Magnified 4EVER! Movement
@ Scramble-4-Peace.com**

Why We Need You

Each S7-Bowling™ session is more than a game. It is a leadership laboratory, a communal meal, and a mercy-delivery planning engine that turns ordinary neighbors into extraordinary servant-leaders.

Your sponsored bowler participates each week in:

- Three games of collaborative S7-Bowling™
- A shared communal meal
- A structured, Agile-based service design meeting

where bowlers create, execute and review the progress on plans to deliver the Seven Corporal Mercies to people in real need right on the streets where you live: Food, Water, Clothing, Open Migration to Welcoming Homes, Healthcare, Freeing Personal Training & Development, Burial.

These sessions cost around \$150 per bowler per week (because meals + community development meeting space are essential).

But with 52 sponsors like you contributing through Scramble-4-Peace.com as community development member in good standing, the bowler's real personal cost is reduced to about \$15 per week — making their participation possible while keeping the community benefits the service engine drives fully funded.

What Your Sponsorship Makes Possible

Your partnership directly fuels:

1. Weekly Community Leadership Formation

Your bowler becomes part of a team that practices mercy as a structured discipline.

2. Meal-Based Community Building

Every league night concludes a planning meal — where relationships deepen & solidarity gels.

3. Agile Service Planning Sessions

At each meal your sponsored bowler participates in a guided planning meeting that uses:

- Scrum-based planning and execution methods
- OKRs to ensure outcomes that drive positive impact
- Backlogs, sprints, and deliverables that keep things organized & well oiled

to create real, measurable community uplift.

4. A Year-Round Mercy Engine that Supports You as Well

S7-Bowling™ teams lead service plans across the entire year that you are also invited to participate in executing to deliver:

- food
- clothing
- shelter
- visits
- comfort
- accompaniment
- acts of generosity

that flow directly from your communal efforts via the seven corporal mercies that have worked as community building catalysts for ages.

Your sponsorship is not a mere donation — it's a strategic activation.

What You Receive As a Sponsor

As a Scramble-4-Peace.com member sponsoring a bowler, you receive:
