## PROFESSIONAL EXPERIENCE

### Scrum Master & Agility Transformation Specialist

Fitness Interface LLC. Las Vegas, NV. March 2010 – Present.

- Leading as Scrum Master and Agile Coach for multiple enterprise clients across healthcare, government, financial, retail, wholesale, and entertainment services.
- Facilitating all Scrum ceremonies including Sprint Planning, Daily Scrum, Sprint Reviews, and Retrospectives.
- Coaching cross-functional teams toward self-management, continuous improvement, and predictable delivery.

- Partnering with Product Owners to improve backlog readiness, prioritization, and story quality.
- Identifying and removing organizational, process, and technical impediments impacting delivery flow.
- Supporting Agile-at-Scale and SAFe initiatives including cross-team coordination and dependency management.
- Enabling delivery within regulated environments including DoD, VA, and IRS.
- Providing executive-level coaching and stakeholder facilitation during complex transformation initiatives.

### **Scrum Master & Agility Program Coach**

TIBCO. Washington, DC. December 2007 – March 2010.

- Led as Scrum Master and Agile Program Coach supporting mission-critical federal systems at DHS/USCIS.
- Served Scrum teams operating within PMBOK and Earned Value Management (EVM) constraints.
- Facilitated Agile adoption while maintaining compliance with government governance and reporting requirements.
- Coordinated cross-team dependencies and release planning activities.
- Recognized nationally for innovative Agile delivery and contracting practices.

### **Scrum Master & Executive Agility Coach**

Cybervangelism. Silver Spring, MD. September 2000 – December 2007.

- Led Agile transformations and Scrum adoption initiatives for enterprise, healthcare, and financial services clients.
- Facilitated Scrum events and coached teams on Agile principles.
- Supported executive leadership with Agile mindset development and governance.
- Improved delivery predictability and team health through disciplined Scrum practices.

## **FOUNDATIONAL EXPERIENCE & PROFESSIONAL DEVELOPMENT**

Established deep foundations in modern SAFe, Agile delivery, Scrum Mastery, enterprise integration, and large-scale systems modernization across regulated healthcare, telecommunications, financial, retail, and wholesale environments.

- Served as Scrum Master, Agile Coach, Program Manager, Managing Architect, and Product Leader on enterprise, lean start-up and global delivery teams for several different clients.
- Led early Agile, RAD, and Scrum implementations prior to formal codification of contemporary Agile frameworks.
- Designed and facilitated Joint Application Design (JAD) and visioning workshops for executive and technical stakeholders.
- Led globally distributed teams across the United States and Europe.
- Built deep fluency in enterprise integration, data modeling, DevOps, and delivery governance.
- Established early Centers of Excellence for Agile delivery and BPM-driven systems.

### **Representative Organizations and Engagements:**

IBM Global Services, Keane/NTT (GE), Telismart, Transformative Consulting, CBIS (US & Europe), The Synergy Group, and other leading enterprises in healthcare, telecommunications, retail, wholesale, and financial services.
