PROFESSOR POSITS

A Perpetual Enigma of Grace

SAM 1 — Instructing Those Who Need Instruction

Everyone has something to learn—even while teaching others.

THEIR STORY

Professor Posits has plenty to say about how things should be. When a neighbor kindly teaches them to listen first, their fine explanations become far more helpful.

THEIR NEED

Patient instruction in listening, asking, and practicing mercy.

THEIR GIFT

Making complicated ideas understandable—and helping others share what they know.

GRACE IN MOTION

They ask what would help, listen to the answer, and learn while they teach.
