Right on the streets where we live.

Aashita the Otter

Chief Tour Guide of Mabuhay.Land

*A World-Walker
of World-Walkers.
A Worthy Guide.*

HER STORY

From the highlands of Bharat comes a guide who finds the most interesting things nobody would ever have thought to look for. Aashita knows every shortcut. Somehow, her tours still take the longest way home.

THE AASHITA ROAD

One more hidden garden. One more remarkable neighbor. One more little climb. Her tours are endurance tests with excellent commentary. Bring good walking shoes—boots, even!

HER GIFT

Boundless curiosity, a keen eye, and the conviction that every place has someone worth meeting.

HER GROWING PRACTICE

Remembering that her guests' feet are part of the encounter, too. A bench, a drink, and a pause can reveal wonders even she might hurry past.

HER GRACE IN MOTION

Helping strangers find their bearings, neighbors discover one another, and fellow travelers recognize the gifts they bring.

“Come along! There’s something wonderful just around the corner.”

There is. There are also stairs.
