

Auntie Meldy Umph Humph

Clearing the Pathways to Mercy

Love in motion.
Always room
for one more.

HER STORY

Before Auntie reaches her chair, she has noticed the wobbling table, the missing cups, and the hungry neighbor—and done something about them. In the Story Stewards Guild, she helps turn caring into doing.

HER GIFT

Practical love, lively hospitality, and the Umph that gets Uncle Humph moving.

HER WORK

She oversees Mabuhay.Land's horticultural management cast, tending growing things and clearing overgrown grass and stray limbs from the pathways to Mercy.

HER GROWING PRACTICE

Making room for others to help—and receiving the care she so freely gives.

HER GARDENING 'WEAPON'

A trusty tool for tackling overgrowth and opening the way for welcome.
